Game Categories & Student Scenarios

yellow

You find a great article about your topic, but there is no author and no date of publication. Do you use it?

The article you found has an author, but it is from a personal blog. Do you use it?

The website you are using was created by students, but still has full citations for all the work. Do you use it?

Student Response Sheets

Engage
Beyond the
Game

Directions: As you participate, record the answers in the space provided. Review these at the end of the game.

Directions: As you participate, record your responses to the questions. We will review them after the game.
